Field Report

Procurement, energy and site logistics

VOL. 01

Procurement budget

The approved procurement budget is $480,000.

Capital allocation for the Northline field program in 2026:

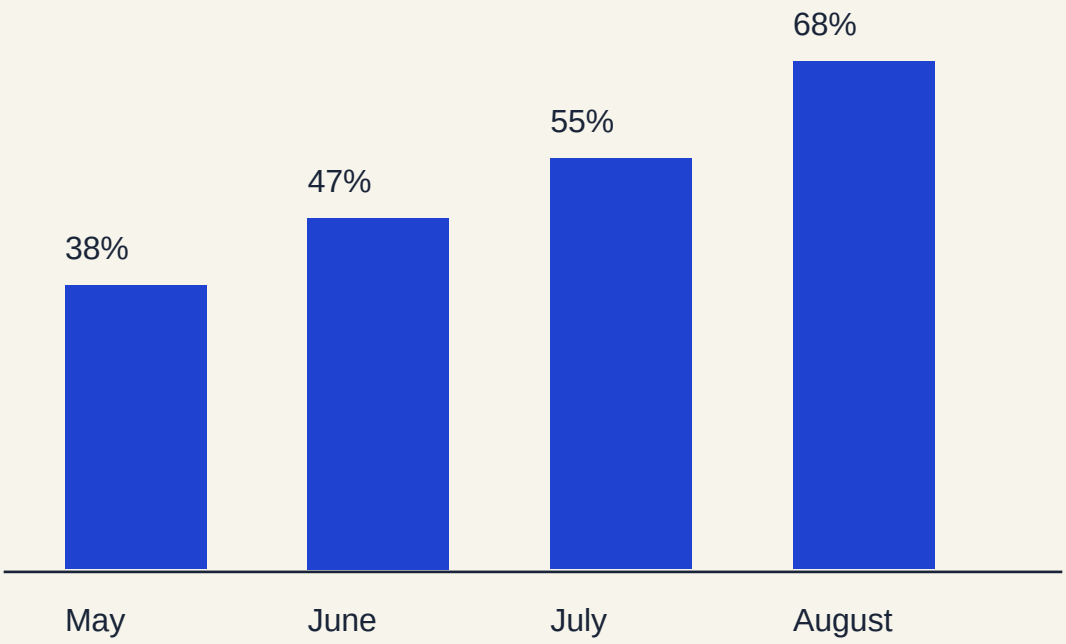

Category	Allocation
Site equipment	$220,000
Transport and freight	$160,000
Monitoring instruments	$100,000
Total	$480,000

Finance owner: Mara Chen. Approved on 14 September 2026.

Energy consumption

Solar generation supplied 68% of site electricity in August.

Solar share of electricity use by month

The battery upgrade reduced diesel generator operating hours.

Warehouse inventory

Receiving log - East warehouse

Fifty replacement monitors arrived on 18 September.

The monitors are stored in the east warehouse, aisle seven.

The next inspection is scheduled for 2 October.

Shift supervisor: Priya Shah.
